**Executive Summary of Project:**  
**Please provide one paragraph executive summary of the project.**

**Project Narrative**

Please answer the three questions about design, process, and impact on the following 3 pages. One page limit per question. Please be sure to address the key themes outlined below within each question.

**Key Themes:**

**Originality + Innovation:** How is your project innovative and unique?

**Compatibility:** Include how your entry has been integrated into other planning efforts in the Lehigh Valley, specifically Comprehensive Plan, The Lehigh Valley... 2030.

**Effectiveness + Results:** Detail how your entry has made a difference in the community.

**Engagement:** Describe the varied interests that were involved. Include any competing interests.

**Transferability:** Could the concepts your project implemented be transferred to create other successful projects?

**1. Project Design**

This section should include a description of the design. Please include community context, planning concept, environmental sensitivity and sustainability as they relate to the project.

**2. Project Process**

Describe the process in completing the project. Please include community goals, successful community collaboration efforts, public/private partnerships, funding strategies, outreach, and citizen participation as they relate to the project.

**3. Project Impact**

Discuss impact the project has or will have on the community. Please include economic, environmental, and recreational benefits; increased mobility; improved safety; job creation; enhanced community image; sense of place; and the social, cultural, and economic health of the community as they relate to the project.
