

Historical Aerial Photo Review Information

The Lehigh Valley Planning Commission has historical aeriels available for viewing. The following years are in hard copy format: 1964, 1971, 1974, 1981, 1986 (Northampton County), and 1988 (Lehigh County). We do not make copies of the hard copy aerial photos, but you may use a digital camera to photograph the photo. The following years are in digital format: 1992 (black & white), 2000 (full color), and 2005 (full color). An 8½ x 11 printout of the most recent digital aerial photograph is provided for you to take with you and is included in the review cost. Additional printouts of any other year cost \$3 each, plus 6% sales tax.

To view the aerial photos, please contact our office to make an appointment by phone (610-264-4544) or fax (610-264-2616), attention Bonnie. If at all possible, please notify us at least 24 hours prior to the appointment time you are requesting. Whether you call or fax, you will need to provide us the parcel ID information (PIN for Lehigh County or Map-Block-Lot for Northampton County), the municipality, and the county. If you do not have the parcel ID, please provide an address and some other supplemental information (e.g., owner name, parcel size, or nearest cross street) to help in pinpointing the subject parcel. The cost for the review is as follows and is payable with cash or check (payable to LVPC):

- 1 or 2 sites \$25, plus 6% sales tax
- 3 or 4 sites \$50, plus 6% sales tax
- 5 or more \$50 + \$10 for each site over 4, plus 6% sales tax
